THIS LETTER WAS WRITTEN BY ME TO SHRI SANJAY GANDHI
YOUTH CONGRESS LEADER AND OUR FUTURE PRIME MINISTER
FOR HIS COMMENTS BUT AS I HAVE NOT RECEIVED MY REPLY
I AM SENDING A COPY OF THE LETTER FOR YOUR INFORMATION.

Dear Mr. Sanjay Gandhi:

I am a student of Post Graduate Classes. Some of the Youth Congress Members/Office-bearers of the Town have approached me to seek my Membership for your Party. But as they could not reply my quarries to my satisfaction my conscience did not permit me to become a member of your party. But seeing the Pomp and show of your organisation and the way the entire Government machinery is being utilised to organise your meetings and functions and the way the Governors, Chief Ministers and the other high-ups of the Government go running to receive you at the Airports, I am writing this letter to you and requesting you to answer precisely all the points raised in the letter:

1) YOUR QUALIFICATIONS - Academic and Technical:

According to my information you have studied upto VIII class in an English medium school at Dehra Dun. You were expelled from the school on account of misconduct. As you were neither good in studies nor in games you were advised not to go in for higher studies. Then you joined classes in Motor Mechanism at I.T.I. Bombay. There too you did not make a mark but for the position of your mother and grand-father you obtained a diploma somehow. After that you went abroad and there you worked as an Apprentice Mechanic for some time in an automobile manufacturing concern. May I, therefore, conclude that you have neither the satisfactory academic qualifications nor you are a full-fledged engineer from any University? You have no image of your own except that you are the Son of Prime Minister. With these above qualifications one Can't aspire to become a PEON OR A KHALASI in any Government or private undertaking. I am sure, you will agree with me, that with these qualifications no educated person can accept you as a Leader of this great country.

2) YOUR HOBBIES:

Are you interested in games, music, painting, hiking etc? Do you study serious subjects? People close to you tell that you are not at all interested in such activities. According to them you are only interested in wine and women. Please comment.

3) YOUR PAST ACHIEVEMENTS:

At school you were a back-bencher and a very notorious student. What to talk of securing any position in the class, you used to get promotion to the next class simply due to the position of your Mother and grand-father. You have never attended any college. At I.T.I. also you were even worse than an ordinary student. Abroad you failed to acquire any special qualifications. During your stay abroad you were arrested many a time, for lifting cars for Joy riding.

4) YOUR SACRIFICES FOR THE NATION:

Due to the position of your mother and Shri Bansi Lal the adopted son of your mother- you were allotted acres of land almost FREE of cost to establish a factory for the manufacture of JANTA CAR styled as "MARAUTI"

Foreign exchange worth crores of rupees was sanctioned to you for import of plant and machinery. You obtained Rs.15 crores from the Government of India and also collected crores and crores of rupees from the dealers. Over 7 long years have passed and the Janta is still awaiting your JANTA CAR. Nobody knows the whereabouts of the contractor and the members of his family who constructed your factory. The dealers who demanded their money back were either eliminated or were sent to jail under MISA. During the Emergency you have all the powers you have collected huge sums of money all all fair and foul means. With this money you are constructing a 12 STAR HOTEL in Italy which will be the biggest hotel in the world. The truth is that during all this hoch poch, you have eliminated your own GRIBI. Please comment.

5) How you have become the King Maker?

Before the Emergency there was hardly any person who could recognise you. The Governors, the Chief Ministers, all Cabinet Ministers, the Congress resident and all high Government Officials come to receive you at the Airport. They move around you like chaprasis and peons. They sleep at the airport the night before your plane arrives. You have now the powers to decide the fate of any minister, Governor or Chief Minister. The newspapers, the radio and the television all dance to your tune. Can you tell me how this miracle has happened during this Emergency period?

6) Who are your followers:

It is said that a man is known to by the company he keeps and an organisation is known by the leader/leaders, it has. This is a fact that all persons of dubious characted, shady antece-dents and notorious goondas have found refuge in your party. If you are called the KIND OF GOONDAS can you refute it?

7) Your Five Point Plan:

You are the archbishop of the Five Point Plan. Can you enlighten me that how many persons in your family, relations, the Cabinet Ministers, Governors, the Chief Ministers, including those high Government officials who laud your so-called ideals have undergone sterilization? I am sure that you can not cite a single case of such people.

These few words I have not written in the heat of the moment or with malice or ill-will against you. These are the hard facts of your life and you are very closely and intimately connected with them. Hence, it will be in your own interest to clarify the above points before the masses. Your early reply shall be highly appreciated.

Sincerely Yours,

Note: After reading this carefully, if you feel convinced please pass it on copies of this letter, to your other friends, and relatives so that THIS AMIR LEADER CANNOT DECEIVE THE GARIB JANTA ANY MORE. THANKS,
